

Greetings SCPT Committee Member,

Update - Remote (WebEx) Access AGM Registration Information

Please note: the contact email address to register to join via web ex was incorrect in the last email update. The SCPT apologizes for this error. Please see below for the correct information.

In order to join via Web Ex, please send your interest to stacey.lovogrona@usask.ca prior to April 17, 2017. This will allow sufficient time to ensure you can get into the meeting room, as well as hear and communicate well so that you may ask questions and participate as needed.

If you have any questions about the Web Ex or associated process, please don't hesitate to contact Stacey at the email above, or by phone at 306-241-9545.

We encourage our Members who are unable to attend in person to join remotely via WebEx. We are excited to offer this opportunity as a pilot project for this years AGM.

AGM information, the Annual Report, and other supporting documentation can be accessed on our website [HERE](#)
